Dear Friend,

Thank you for your continued support of our school and our mission of providing a quality education in a Christian environment to our children.

The growth and sustainability of our school is made possible because of your generosity and determination to help our children receive a quality education while maintaining a safe secure place of learning.

This year, the State of Mississippi has agreed to issue Leake Academy specialty license plates to Mississippi residents. The cost of the tag is \$31.00, with \$24.00 going to Leake Academy. In order for the state of Mississippi to produce the license plates, we must sell at least 300 plates to Mississippi residents.

Will you be one of the first in Mississippi to get a Leake Academy specialty license plate? Your purchase will not only go directly to help fund our project committee, but will also promote awareness of Leake Academy throughout your local community.

Leake Academy was founded in 1970. The school opened its doors to students from six counties. The first graduating class was presented in May 1971 with 38 members. Since that time, K-4 and K-5 have been added to our curriculum. Throughout the years we have been truly blessed to have wonderful members of our faculty and staff.

We sincerely value your partnership as we continue to strive for excellence in education. On behalf of the students at Leake Academy, thank you for your time and consideration.

Sincerely,

Jerry Crowe
Headmaster

P.S. Please complete the specialty tag application and return it by Oct1st, 2009. You will be one of the first to have this beautiful tag and, most importantly, you will be helping build a better school.
